

Silas Moves Into Iowa With Confidence

(7/6/09 Harrisburg, N.C.) Bryan Silas is heading to Iowa with a clear mind and a refreshed attitude. He knows that Iowa is a place he stands a good chance of gaining his first win. Silas finished eighth in last years race and thirteenth there in 2007. "I feel like we have a lot better chance of winning this year compared to last year because we have a lot more momentum and a team with better chemistry," said Silas of his chances at Iowa Speedway.

Bryan has had a phenomenal season so far, sitting fourth in points going into the Prairie Meadows 200 at Iowa Speedway.

Although Silas has had a few weeks off from the ARCA RE/MAX Series, that doesn't mean he has been sitting at home. Silas was present at Rockingham Speedway on Saturday, July 4th for the Cherry Bomb 200. Silas was not driving a street stock or a late model but the pace car.

"I got to drive the pace car and that was really cool but it is more fun to drive my race car," said Silas on his part in the Cherry Bomb 200.

Bryan also tested at Kentucky Speedway on Monday where he ended up fifth on the charts. "Testing went very well at Kentucky and I know we can do better when we return later this month," commented Bryan.

The Prairie Meadows 200 will take place this Saturday, July 11th. The race consists of 200 laps and will begin at 8:00 p.m. local time. Listen to the race live at arcanation.com.

Nason, Yeager, Gerson, White & Lioce P.A., Holland Pump, Oasis Outsourcing, Palm Beach Grading (PBG), and Rockingham Speedway will sponsor Bryan at this weekend's race.
